Brief description of filing. (If filing follows rates of an advisory organization, specify organization):

The coefficients of the DSSI model have been updated based on more recent data.

The purpose of the calibration is to keep the DSSI model in tune with additional actual observed data as it becomes available so there is no unexpected income effect.

We are updating the coefficients of the DSSI model based on more recent data on May 1, 2013 (June 10, 2013 for renewal business subject to advance billing requirements).

The enclosed manual pages include the DSSI model with the updated coefficients.

\* Adjusted to reflect all prior rate changes.

\*\* Change in Company's premium level which will result from application of new rates.
